*Mobile app to scan visitor's badge at the market*

**GETTING STARTED**

MIPCOM is fast approaching. We want to make sure you're prepared for an important part of your experience- collecting leads with the Emperia Lead Retrieval Application. Using the app at the event is easy - simply scan the code on the visitor badge to capture your connection and record their contact details. Here's a simple "Exhibitor's Guide to Emperia" to get you started and answer some commonly asked questions about the Emperia lead scanning tool.

Available on app store and play store

**LOGIN DETAILS**

Use these credentials to login to the app. Share this access code with your colleagues from your company so they can capture leads on their own devices as well.

Company access code

**RQVR6NA2**

**Download the RX Lead Manager Mobile app** from the App Store or Google Play

**Customize your account** by indicating your company access code

**DOCUMENT(S) YOU WANT TO SHARE WITH YOUR LEADS**

Select up to 3 documents that you want to highlight and share with your leads as part of the end-of-show summary email that the visitors will receive.

**CUSTOM QUESTION(S)**

Add custom qualifying questions that you would like to ask your leads during lead capture using the Emperia app at the show. Add multi-choice options for each question. Receive these questions and the captured responses as part of your leads report post show.

**Upload up to 3 documents about your company** sent to the visitors you scan at the market

**Add qualification questions** that will be asked to the visitors you scan, in order to better know them
